

April 2, 2021

As of yesterday's report, Greenwood County had 10 additional confirmed cases in the county for a total of 7,089 cases confirmed since 21 March 2020. *Remember this is only those which have been confirmed and is for those who were tested a minimum of two days ago. This means there are others who have been tested and are in quarantine awaiting results. Additionally, an individual can be asymptomatic, (contagious but shows no symptoms), and may choose not to be tested.*

The first 6,915 cases in Greenwood County were reported over 15 days ago, so there are 6,915 individuals who should have recovered from the virus. Additionally, Greenwood County has had 149 confirmed deaths due to the virus. This brings Greenwood County's remaining estimated total of active confirmed cases to 25. *DHEC does not track recovered individuals by county, so this number is an estimate based on the following: Most individuals recover from the virus within this time frame.*

From 17 March until 30 March (2 weeks), Greenwood has had 163 confirmed cases out of a population of 70,811. This equates to an incident rate of **230.2** per 100,000 individuals which is rated as **high** by SCDHEC. (Low = 50 or less; Medium = 51 - 200; High = 201 or more)

SCDHEC reported an additional 510 new confirmed cases in the state for a total of 465,650. Also, they reported 14 new confirmed deaths in the state for a total of 8,087. Please click this [link](#) to see the deaths by county. For additional information on underlying conditions or other information in this section, please call DHEC at 1-855- 472- 3432. *SCDHEC has begun providing a number of probable cases and deaths. I will only be providing the confirmed numbers.*

SCDHEC reported 8,778 of 11,387 inpatient beds are in use for a 77.1% usage rate statewide. Of the 8,778 beds in use, 502 are occupied by patients who either have tested positive or are under investigation for COVID-19. This is 5.7% of the beds in use.

As of 31 March, Greenwood County has 137 of 206 hospital beds in use which is 66.5% utilization rate. As of 31 March, Self Regional reported 8 COVID-19 patients with 2 in ICU. Of these, 0 patients are on ventilation.

SCDHEC has created a dashboard which tracks the COVID-19 cases in K-12 schools within SC. Please click this [link](#) to see the numbers of reported cases by school.

SCDHEC is finding an increased rate of individuals who do not have symptoms and don't know they are infectious as they have expanded testing. This increases the risk of spreading the virus. Over the past couple of weeks, Greenwood County has seen the number of cases of COVID-19 increase. It is important we slow the spread of the virus by **keeping 6 feet apart, washing our hands, avoiding large gatherings, remaining home when sick** and wearing face coverings when in public facilities which do not allow for social distancing.
